(c) the time-frame by which the expansion plan would be taken up and completed?

THE MINISTER OF STATE IN THE MINISTRY OF COAL AND MINES (DR. DASARI NARAYAN RAO): (a) to (c) NALCO has submitted a proposal for expansion of capacity of its Bauxite mines, Alumina refinery, Aluminium smelter and Captive Power Plant (CPP) in second phase at an investment cost of Rs. 4091.51 crore at July, 2003 price level to be financed entirely by the Company's internal resources and commercial borrowings. The project is to be completed within 50 months from the date of the approval of the Government. The capacity of the various facilities of the Company after the proposed expansion will be as under:

Sector	Present capacity	Capacity after proposed expansion
Bauxite Mine (tpa)*	48,00.000	63,00,000
Alumina Refinery (tpa)	15,75,000	21,00,000
Aluminium Smelter (tpa)	3,45,000	4,60,000
Captive Power Plant (MW)**	960	1,200

*tpa - tonnes per annum

**MW - Mega Watt

Production of coal

1635. SHRI DATTAMEGHE: Will the PRIME MINISTER be pleased to state:

(a) the total production of coal of various grades in the country, grade-wise;

(b) the total demand of coal of various grades in the country;

(c) whether the coal is imported;

(d) if so, the quantity of coal of various grades imported during the last three years, the value thereof and the countries from where imported, year-wise;

(e) whether the Coal India Limited has taken measures to reduce imports by augmenting production of coal:

(f) if so, the details thereof; and

(g) by when India would become self-sufficient in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF COAL AND MINES (DR. DASARI NARAYAN RAO): (a) Grade-wise production of coal in the country during the year 2003-04 is given in the enclosed Statement-I (See below).

(b) Demand of coal is assessed sector-wise and not grade-wise. All India coal demand for the year 2004-05 as finalized by Planning Commission is 404.19 million tonnes of raw coal plus 3.58 million tonnes of middlings.

(c) and (d) Yes, Sir. The data of coal imported from various countries alongwith their value is given in the enclosed Statement-ll *(See* below).

(e) and (f) Yes, Sir. The measures taken by CIL to augment production of coal are as under:-

(i) Opening up of new projects.

(ii) Augmenting production in certain existing projects.

(iii) Through advancing planned production in CIL.

(g) As per the present assessment there will be coal demand supply gap during the 10th Plan period and beyond.
